**School Photography Day**
School photos will take place this Friday 1 March 2013. Students are to wear full dress uniform. Correct payment with payment envelope is to be handed in on the day. If you have two or more children attending you may include the payment in one envelope. Please note clearly on the outside of all envelopes that you have paid in one envelope. A separate envelope for family photos (2 or more students) is available from Student services in Admin. There will be a catch-up day for any students who miss the first photo session on Thursday 7 March 2013.

**yLead Camp**
On the 20 January 2013 myself and the two school captains, Megan and Josh participated in the Australian yLead Conference held at the Emmanuel College Campus, University of Queensland. This included three days of accommodation, meals and all conference activities paid for by the school. Not only did we make life-long friends who shared similar traits to ourselves, but we learnt the importance of leadership, the power of one and witnessed inspirational speeches by not only business men and women, but also by adolescents. This year we plan to implement what we have learnt at yLead into our leadership positions and guarantee this year to be the best Tamborine Mountain State High School has ever seen!

*Breeana*  
*Student Council President*

**School Immunisations**
Our school is participating in Queensland Health’s annual School Based Vaccination Program. The program provides free vaccinations to Years 8 and 10 students as follows:

- **Year 8**
  - Human Papillomavirus (HPV) (3 doses over 6 months)
  - Hepatitis B (2 doses 4-6 months apart)
  - Chickenpox (1 dose)

- **Year 10**
  - Diphtheria Tetanus Pertussis (1 dose)
  - boys only (3 doses over 6 months)

The vaccinations will be conducted by a team of specially trained registered nurses visiting the school on **Monday 4 March 2013**.

A coloured envelope enclosing consent forms and information was sent home with your child/ren. It is important that you read this information. If you have not received this information, please contact the office.

Only students who have completed and signed consent form/s (ticked **Yes**) will be vaccinated.

**Years 8 Tallebudgera Excursion**
Invoices have been issued to all students. Permission notes were given to students on Tuesday 26 February. If your child will be attending the Year 8 Excursion please pay $27.00 to the office before Tuesday 12 March 2013.
Lions Youth of the Year

Congratulations to Megan, Breeana and Josh who were this year's entrants in the Lions Youth of the Year Quest. Contestants were required to submit an entry form outlining their achievements and leadership experience, attend an interview and present two impromptu questions and a 5 minute prepared speech on a topic of their choice. All three students were great ambassadors for the school.

A highlight of the evening was listening to 2012 Lions Youth of the Year winner Ali speak about her youth exchange to Italy and Germany.

Congratulations to Megan who was awarded 2013 Lions Youth of the Year and will progress onto the next round of competition.

Angela Ross

Staff

Welcome to Mrs Paulette Legge, who has joined us from Gympie SHS. Mrs Legge is teaching Years 9, 11 and 12 English. We also welcome back from exchange Ms Renee Morrison (Cheriaux) who is teaching Years 8, 9 and 10 English and English Foundation.

Knowledge Quest English 2 Workbooks

As part of the stationery requirements, Years 8 and 9 English and English Foundation students are required to purchase a copy of Knowledge Quest English 2 Workbook from the school. The cost of the book is $16.00. Remember payments can be made at the office from 8am – 12pm on Mondays and Thursdays or online.

Students then bring their receipt to South Park staffroom to collect their workbook.

Please note that this is the same book used in Year 8 English last year and students who already have this book do not need to purchase another copy.

Angela Ross

ICAS – A challenge for English students

Students who enjoy English and would like a challenge can participate in this year's University of NSW ICAS English and Writing tests. This is an international competition that will give your student an opportunity to gain a measure of their own achievement when compared with other students world-wide, as well as highlight their strengths and weaknesses. Students in all year levels can participate – so please encourage your child to enter, especially if English is one of their strengths.

Each student who enters receives a high quality UNSW certificate and an individual student report which will enhance their employment portfolio. They are also a very appropriate preparation for the Year 9 NAPLAN tests as well as the Year 12 Queensland Core Skills Test.

The assessment dates and entry fee per student are as follows:

- **English** – Wednesday 31 July 2013  $8.80 GST included
- **Writing** – Monday 17 June 2013   $18.70 (To be subsidised by the English Department)

A permission form will be issued to students in the near future.

Jill Agnew

2013 is already shaping up to be an exciting and creative year with the arrival of new staff and new students. We have full year 8 classes across our entire Arts subjects including Dance, Drama, Music and Visual Art. It’s been great to talk with staff who are impressed with the ability of individual Year 8 students across each of our subject areas.

By the time you read this newsletter, you should have received letters and assessment planners from each of your child's teachers. I encourage you to stay in touch with the teachers and clarify anything you or your child is unsure of, this is especially pertinent for our new year 8's who are transitioning into new subjects, routines and expectations.

In the last week, I have had the pleasure of attending and assisting with the audition process for the 2013 Dance Groups. A Junior and Senior group will be run this year under the guidance of Mrs Amie McConnell. She has enlisted the help of Hayden (a recently graduated Year 12 TMSHS student) to choreograph routines and mentor the students. Thank you Hayden.

Instrumental Music / Classroom Music

We would like to introduce two new teachers to the team. Welcome Cameron Hart, classroom music and John Clyde, instrumental music. They bring with them a wealth of knowledge and years of experience in all dimensions of music. Please feel free to say hello to Cameron and John.

The instrumental/classroom policy handbook is being updated and will be available on the school website soon.

Invoices for students will be forwarded home soon. If financial consideration needs to be addressed, payment plans are available at the office. Please see Cameron or John.
Year 9 History – Geography Field Trip

Next month both Year 9 History classes are undertaking a field trip to the Gold Coast to explore three different types of developments. The main focus is a sustainable future through urban development. We plan to look at the use of open space at The Spit, high density accommodation on the beach front at Main Beach, the case of a mixed development at Emerald Lakes and finally the Eco Village at Currumbin. It is always an interesting insightful day for students. Permission letters and payment details will be distributed shortly.

Michelle Pattison

Year 11/12 Geography

Part of the Senior Geography curriculum requires a minimum of 20 hours field work which to students means excursions! Senior Geography students will soon be adventuring down the coast for their first field trip of 2013. In class, they have been investigating biodiversity with specific reference to coastal management. As a result, an investigation of beach processes will be conducted at Southport Spit and a Coastal Ed educator will present a talk to the students. Following this, we will travel to Duranbah Beach where we will investigate management processes. The field trip will directly benefit student assessment the following week.

Danielle De Redder

Maths/ Science / IPT

Welcome to Maths and Science 2013.

Planners - Students have been given planners for semester 1, including an outline of assessments. If you need information around these or did not receive one, feel free to contact your child’s teacher.

Tutoring – some of our staff volunteer to help students who require additional help. If you require information on the availability and type of help available, please have your child talk with their teacher or call the school to talk with Glen Washburn or Stephen Cox.

Tuesday Extension Groups – Our year 10 Science and Maths Extension groups have been busy researching renewable energy applications for the school and have just submitted applications for Grants funding from a number of sources. Science, technology and sustainability – sounds very good.

Danielle De Redder

Design Technology

We would like to welcome all students who have selected a design and technology or graphics subject. It certainly is our pleasure to present programs that are interesting and academically substantive for all of our students.

Our graphical design and technology studies students are designing their personal, portable speaker systems that they will make in term 2. The workshop based students have started a range of projects using timber, plastic and sheet metal and will have their first projects finished at the end of this term.

Please feel free to contact any of our design technology staff if you have any questions or concerns. Mr Peterson, Mr Watson or myself will certainly do all we can to help. We are looking forward to a great new year.

Peter Brose, HOD Design Technology

Sport

Interschool Sport

Interschool sport is starting to shape us as our Year 8 and 9 students have started training for netball, basketball, touch football, soccer and volleyball.

Our dance students have completed their auditions and are busy learning their first routines while our school based sports program students are starting to explore a range of activities.

Rugby League

Mr Kennedy is already looking at the Titans Cup Competition which is an open division rugby league competition for schools on Monday nights. If you are interested please see Mr Kennedy for more information.

Representative Sport

For students interested in Broadwater and South Coast sport representation, please visit MA03 to see what is on offer and what date the selection trials are on. Our school has advertised these dates via email. We will send out an updated list next week. Any student interested needs to see Mr Brose in MA03 as soon as possible.
Swimming Carnival
A fabulous swimming carnival kicked off our sports program for 2013 and what a finish. In the closest finish of any sports event in the history of the school, Waiburra emerged victorious by a grand total of 1 point. With the top three houses each amassing over 1000 points the results of competition came down to the last race.
After the dust had settled (or water), the top two students from each event were invited to participate at the Broadwater interschool swimming carnival. On a wet and windy day on the Gold Coast our students performed very well to achieve 5th overall, with special mention for Jeremy and Joseph for outstanding individual achievements as both boys were awarded age champions. Jeremy, Joseph and Tom will be competing in the South Coast Swimming Championships on Monday 25 February and Wednesday 27 February. We wish all them the best of luck.

Sport Cont'd

Welcome to all families for 2013. After a weather induced slow start to the year, classes are powering on in both Home Economics and HPE.
Tamborine Mountain State High School welcomes a new Home Economics teacher Mrs Kylie Dobson. Kylie has come to us from Heatley Secondary College in Townsville. She is a valuable addition to our teaching team with her new ideas, interests and skills.
We also welcome back to the HPE Department Mr Ryan Pollock who is returning after six months leave. Mr Pollock’s enthusiasm and energy for sport always encourages students to perform at their best.
For the first time in 2013, Year 10 students are starting the Certificate III course in Sport and Recreation with Mr Anderson with classes running for a full day each Tuesday.
Mr Kennedy will continue to take the Years 11 and 12 students for Sport and Recreation during normal timetabled classes. Just a reminder that the cost of this course from our outside provider, Binnacle, is $224, fully payable by the end of Semester 1 – the $50 deposit for new students is now due.

Subject fees for Year 8 Home Economics and Year 9 Food Studies – Mrs. Spence
Thank you to those parent / caregivers who have already paid your child’s subject fees of $35.00 and returned permission forms for Semester 1, 2013. This will guarantee your child’s participation in the practical side of this subject. Fees are now overdue, prompt payment would be appreciated. An alternative program will occur for students who have not finalised their payment. Introductory letters from classroom teachers and a copy of the subjects’ course planner have also been sent out to you via email.
If you have not received any emails from your child teachers, please check that the school has your most recent contact information.

Subject fees for Year 10 Food Studies and the Certificate II in Hospitality – Mrs Spence
Thank you to those parent / caregivers who have already paid your child’s subject fees of $55.00 and returned permission forms for Semester 1, 2013. This will guarantee your child’s participation in the practical side of this subject. Fees are now overdue, prompt payment would be appreciated. An alternative program will occur for students who have not finalised their payment. Introductory letters from classroom teachers and a copy of the subjects’ course planner have also been sent out to you via email.
If you have not received any emails from your child teachers, please check that the school has your most recent contact information.

Guidance Officer, Careers & Workplace Learning
Laura being signed-up in a school-based traineeship with Tamborine Mountain Vet Surgery
**Shave For A Cure**

Students are very excited and enthusiastic to be taking part in the 2013 Shave for a Cure and Crazy Hair Day. This will take place at the school on Friday the 22nd of March. Students are encouraged to wear their hair in crazy fashions with bright accessories. Students can donate by sponsoring students who are electing to shave their heads and by giving a gold coin on assembly. All money raised will go towards the Leukaemia Foundation.

The Administration Team is available to parents/caregivers and students. Please feel free to email.

- Gold Coast Eisteddfod - March

**Performing & Visual Arts**

**National Geographic Competition 2013**

25 Humanities students will participate in this year’s National Geography Competition which consists of 30-40 multi-choice questions (depending on a student’s age) related to a variety of Geography visual stimulus material. This may be maps, photos, statistics and graphs. The results will be known in May. We are looking forward to some great results like previous years. All students will receive a certificate of participation.

_Lindon Darling_
Year 10 Advanced Focussed Literacy Class

Advanced Focussed Literacy is an exciting TMSHS initiative which provides Year 10 students with an opportunity to further develop their literacy skills. This Year 10 subject focusses on preparing students for Year 11 English and academic writing. The program content has been developed after consultation with Junior and Senior English teachers. In 2013 one Year 10 Advanced Focussed Literacy class is running. Should you have any questions about this exciting program please contact Mrs Trudy Quast – tquas1@eq.edu.au.

Bond Uni Mooting Competition

Students of Year 11/12 Legal Studies will be competing for the first time in the Bond University Faculty of Law's annual High School Mooting Competition against students from across Australia.

What is a moot?” you may ask…

A moot is a legal argument based on a prescribed set of facts. Mooting is designed to teach and test a range of intellectual and practical skills, and to give students an insight into the operation of the legal system. Moots simulate as closely as possible the operation of a real court – in our circumstances, the conduct of an appellate court.

Mooting is different to debating. Mooting is not merely a display of verbal skills. It is an intellectual exercise that requires research, advocacy, teamwork and interaction with the audience (i.e. the bench).

The competition provides students the opportunity to:
- be challenged by preparing, articulating and defending complex submissions
- experience live courtroom environments
- mount legal arguments before one or more judges
- apply legal rules to realistic cases
- gain insight into the workings of the Australian legal system

We already have three eager students, who will begin preparing their submissions during Term One. Wish the team luck for the Gold Coast Regional Round which is scheduled for the 7th May.

Christina Rekort-Blundell

Teachers can work with students before school, morning tea, lunch time and after school. Students can also email teachers.

Mrs Christina Rekort-Blundell creko1@eq.edu.au

<tr>
<td><strong>High School Meeting Competition</strong></td>
<td>For Year 11 and 12</td>
<td>Do you have what it takes to argue your way into the courtroom? Bond University's annual High School Meeting Competition is open to all Year 9 and 11 students from across Australia, and challenges them to prepare, articulate and defend legal arguments in a courtroom environment. Regional rounds are held in each State, with the finals held in the electronic moot court at Bond University. Students will spend the morning on campus for presentation, building and abruptly. The afternoon will be a session lecture at OJ, followed by a tour of the new forensics lab and light rail visit.</td>

Thank you to all parents/caregivers who attended our first P&C Meeting on Tuesday 19 February 2013. Our next meeting is on Wednesday 20 March 2013. This will be our AGM. All parents/caregivers are welcome to attend. The meeting will be held in the Central Park Common Room beginning at 6.30 pm.

Contributions for the TMSHS Volunteer Building Fund are now being accepted. Parents/caregivers have been emailed the voluntary/gift contribution invoice. Please return the payment advice to either the Uniform Shop (Mon/Thu mornings) or the Tuckshop Mon-Fri (9am-2pm) along with your voluntary payment of $40. Eftpos, cash or cheque (payable to P&C Building Fund Cash Management). Payment can also be made by direct credit (BSB: 034230 Account: 279647).

TUCKSHOP NEWS

Welcome to 2013 ... certainly a year making its mark early and setting challenges right from the outset!

As we all know, the Summer weather has been a little unkind to us on the mountain and the Tuckshop suffered no less than our homes, with no power for a number of days meaning all perishable stock delivered the Friday prior to the Cyclone had to be disposed of. The menu was limited upon opening but there was plenty of food available for students. Everything is back to running at full capacity now and we were grateful that most suppliers took the challenge to deliver when many roads were closed.

If you have not visited the school yet this year, you will not have seen the new Tuckshop servery. A large refurbishment took place late last year and into 2013, to enable a cafeteria style service area for students. This means short queues with short waiting times, translating into more free time for students during breaks. The Tuckshop preparation area has increased which also means a much easier time for those working in the kitchen. A win, win situation all around! The final touches should be completed shortly, so we thank students for their patience during this time. A HUGE thanks to the P&C for funding a much needed renovation, we will be ready to accommodate the Year 7’s when they move on up to High School.

We are always trying out new menu items so please give feedback so that we know what makes our customers happy. Sushi was a popular addition to the Summer menu. Due to the need to make it fresh, its availability will depend on staffing resources. If you have a passion for making sushi, you are welcome to drop in to let us know when you are available. With the rather early cooler weather, Autumn menu items have had a look in as well.

Our vegetarian menu has expanded hugely and home-made cooking has increased as well. Gluten free is available upon request as ingredients are not always on hand. Special dietary requests can be discussed at any time.

Don’t forget meals can be ordered in the morning, meaning no one needs to miss out on favourites!

Accounts are on the increase at the Tuckshop. This is a great way to ensure students won’t miss out if lunch is left at home. You can leave as little as $5 in credit if you want peace of mind that students won’t go hungry.

If volunteering has been on your mind, give Janice a call on 5545 7250. The rewards programme has proven popular and you can use your credit at the Tuckshop, Uniform Shop or for school fees. The TMSHS P&C has donated a huge amount of equipment and funds to the school over the past twelve months and hope to continue to do so. The Tuckshop provides much of the revenue for this so your support is appreciated right throughout the school. Even a few hours each month can make a difference.

The team at the Tuckshop work hard to keep food flavoursome and nutritious as well as keeping prices to a minimum for maximum affordability. The team are Danielle Hows, Christine Attridge, Amanda Thomson and Andree Cheyne putting in one day each week with Cheryl Wallace and Sioux Lewis Co-convening. Having a team of people means that a variety of ideas get thrown around and recipes tested. Volunteers also contribute to menu ideas and recipe testing with great success.

So, please keep supporting the Tuckshop in 2013 because we’re here to support students, staff and the school community at large.
BLUE Light Disco

FRIDAY 15th MARCH

at the Vonda Youngman Community Centre, Knoll Road, North Tamborine

6.30pm – 9.30pm ~ Ages 5-17yo ~ $5
