A Cause Close to Home

Kids in Community (KIC) is a newly-formed organisation whose primary goal is to provide for children in the Tamborine Mountain community. Unfortunately, it is not uncommon that students may require financial assistance throughout their learning, and so, KIC aims to assist via fundraising to provide a helpful hand for these individuals as well as children suffering from sicknesses and other devastating and unfortunate predicaments. In conjunction with other schools on the mountain and local businesses, the high school contributed to this worthy and amazing cause by undergoing a ‘Free Dress Day’ on Friday 31st of May. The students should be proud and acknowledged for their remarkable efforts that day. The school was flooded with an array of colourful t-shirts, jumpers and socks and it was no surprise that this amazing event raised over $300 which assists in achieving the goal of $15,000 set by KIC. As the Mountain has always been considered friendly and generous in times of sadness and disaster, this organisation really does need donations in order to uphold the unity in our community. If you are willing to make a donation and pledge your support, you can contact KIC via the school or by any of the following contacts:

Rod Stehr: 0425 757 130  Peter Jones: 0478 643 194  Rob Mansfield: 0438 885 138

Australian Spirit Bursary Competition

The Australian Spirit Bursary competition is an exciting annual event that is run by the Beaudesert RSL. Results were finalised over a variety of categories for both primary and high schools with presentations and a morning tea taking place at the Beaudesert RSL on Wednesday the 12th of June. Once again students from Tamborine Mountain State High School took out two of the major places. Emmalee won first prize of a $300 bursary in the high school category and Natasha was awarded runner-up in the same category winning a bursary of $150. Congratulations to both of these entrants whose entries were creative and original, emulating the true spirit of Australia.
Jersey Day
On the 17th July the student council will be running the annual Jersey Day. Students are to wear school uniform as usual however instead of the school jumper they may wear a jersey of their choice. No inappropriate wording or slogans allowed on jersey and normal school uniform/dress standards apply. Students are asked to donate a gold coin with proceeds going towards the Tamborine State High School's Chaplaincy Fund administered by our school chaplain Dave Forbes. Dave is a great support for so many of our students and families here in the school community so student council would like to raise as much money as possible to help him as he assists others. This date happens to be the 3rd State of Origin game so it would be great to see all of those maroon jerseys out there!

Athletics Carnival
Don't forget that first Friday back after the holidays is the Athletics’ Carnival.
Student Council will be running a red food stall with soft drink, lollies, donuts and lots more. Make sure to get in quickly before all the best food and drink sells!

40 Hour Famine – Fundraising is well under way for the 40 Hour Famine that takes place on the 16th to the 18th of August. The first week has seen $580 donated online to our team account with many students already signing up to take the pledge to give up food, furniture or technology for 40 hours. Students are proving their generosity by collecting donations that will go towards helping communities develop better ways to grow crops, to teach parents about good nutrition and provide opportunities for families to learn new ways to earn money, so if their crops fail, they won’t go hungry. If you would like more information go to - www.worldvision.com.au. Booklets and information are available through Mrs Forrest in Admin.

What’s happening in our English, English Foundation and English Communication classes?
• To coincide with our school celebration of NAIDOC week, our Year 8 English and English Foundation classes are studying Aboriginal and Torres Strait Islander perspectives as explored through poetry. Students will then present a multimodal presentation.
• Year 9 English and English Foundation students are sharing their memories of one of their own experiences through a written memoir.
• Year 10 English classes are exploring issues raised in novels and they will prepare a feature article discussing one of the issues.
• Year 10 English Foundation move onto a unit which deals with crime and punishment in contemporary society. They will then write a short story related to the issues studied throughout the unit.
• Year 11 English students have just presented their dramatic monologues which required them to take on the role of one of the characters from Arthur Miller’s The Crucible. “You can’t handle the truth”, the Term 3 unit examines how concepts, relationship and identities are represented in texts. Students will then demonstrate their knowledge and understanding through the construction of their own feature article.
• Year 11 English Communication classes will explore the world of a novel and construct a police file based on the events of the novel.
• Year 12 English students have begun their final Senior English unit entitled “Beyond the Pages” where they will be reading either F. Scott Fitzgerald’s The Great Gatsby or Mary Shelley’s Frankenstein. Their study of the novel will culminate in a feature article exploring an issue raised in the novel and a dramatic monologue later in Term 4.
• The focus for Term 3 for our Year 12 English Communication students will be “Job Skills” where students are required to engage in a mock job application process, culminating in a mock job interview.
The Arts Faculty is currently preparing for our annual Arts Night scheduled to take place 2 August 2013. The night will showcase work from each of our areas: Dance, Drama, Film, TV and New Media, Instrumental Music, Photography and Visual Art. An art exhibition will be presented in the library and a concert program will feature the performing arts. Specific details about the night will be emailed in the first week of next term.

Term 3 is a busy term for many of the performing arts students. The dance and instrumental music students are performing at the Gold Coast Eisteddfod and the Theatre Excellence class are competing in the Gold Coast Drama Festival and showcasing their performance here at school on Friday evening 30 August. Thank you for supporting your child and the Arts by allowing your child to participate in all of these extra curricula activities.

I’d like to share a statement about the purpose of studying the arts, taken from the “Draft Australian Curriculum: 2012” as it is an encompassing statement that explains our faculty goals: “The Arts contribute to the development of confident and creative individuals, nurturing and challenging active and informed citizens. Learning in and through arts traditions and cultural practices fosters social competencies and aids the development of personal identity, world views and global citizenship.”

**Extension Opportunity** Students have been invited to participate in the “Worlds Biggest Orchestra”. If you think your child would be interested details can be found at – worldsbiggestorchestra.com.

---

**Music**

Congratulations to our Vocal Ensemble who participated in the bi-annual Choral Fanfare at Robina this year. It was a pleasure to see them perform with such enthusiasm. They received a Bronze Certificate and the final words on the adjudicator’s comments were - “Keep doing what you love! You Rocked!” – And they did. The ensemble is presently preparing for the Arts Night coming up on August 2nd and very much look forward to performing for you.

The Gold Coast Eisteddfod is fast approaching and both the Concert Band and Stage Band have been working hard to put together a program fitting for such an occasion. The Concert Band and Stage Band have now performed both on parade and in the under covered area at lunchtime to the students of Tamborine SHS and certainly on both occasions the musicians had an absolute fun time performing.

For the first few weeks of term John Clyde will be going to the USA to explore bands and Instrumental and Music and Vocal programs in both schools and universities. He will bring back with him a wealth of knowledge on current trends in music. During this time Cameron Hart will taking the Concert Band leading up to Eisteddfod and Ms Dania Cornelius will be taking Stage Band and lessons.

The timetable will be sent to parents ASAP and this will be run under the same days - Mondays and Fridays. Monday for Concert Band and Friday for Stage Band. A reminder that levies are due 19 July. Thank you.

---

**Media Studies Year 9**

Year 9 Media have completed their production pieces for "Kids TV" and have done an outstanding job editing and finalising their work; a huge congratulations to all students. Year 9 Media Studies has started our Radio unit and learning about the history of radio, its purpose and the power of radio as a medium. Students are working toward creating a radio segment in the form of a Podcast using a computer program called ‘Garageband’. The students are busy designing and planning and scripting, ready to begin recording after returning from their hard earned school holiday!

---

**10 MST**

Our class has been busily designing their own reality TV shows and we're now ready to embark on group productions of a “sneak peek” Reality TV advertisement. Within each group, students have been assigned a production role and are working together to plan their advertisement. We’re just hoping to strike good weather! So far the groups have displayed great communication skills and work ethic. Well done!
11 FTM

Parents beware! Our Year 11 class have become quite proficient in the use of propaganda techniques and are not afraid to use them. The class has written scripts for investigative news stories to feature on our fictional current affairs TV program Tambo Tonight. These mock news stories focus on an interesting variety of topics and feature propaganda techniques to manipulate the audience’s viewpoint. The Year 11 class is very excited about using new cameras which promise better sound recording and image quality.

12 FTM

Phew! The Year 12 class has just completed the production of a short narrative film and have now entered the world of experimental film. We’ve been studying foreign film movements such as French New Wave, German Expressionism, Surrealism and Soviet Montage. I know the students are already planning their next production, which allows them to break away from the rigidity of narrative film conventions and be really creative!!

Mrs Smith

Year 11 Legal Studies – Guest Speakers

Bringing community members into the classroom to share their knowledge and experiences in the area of the law, helps students of Legal Studies understand the complexities of the subject. As such, we were fortunate to have Glenn Upson visit our class and share some of his experiences as a former police officer in the Victorian and Queensland police departments, and more recently as a trainer and security consultant in the Middle East. His presentation was extremely informative and engaging for both students and teachers alike.

In addition, two of our local Tamborine Mountain Police officers, Senior Constable Guerin and Constable Blundell, visited our class as students were finalising their study of criminal law. Both officers were able to answer the myriad of questions posed by the students. They also assisted students in gaining a greater understanding of their rights and responsibilities as citizens of Queensland and also to enlighten students as to the various duties of a Queensland Police officer. We would like to thank our guest speakers for their time and valuable contributions to our Legal Studies class.

Christina Rekort-Blundell

The 2013 Australian Geographic Competition

Thirteen students competed in the competition earlier this year and three of our students did very well. This competition consists of multi-choice questions involving Geography statistics, photos, graphs, charts, diagrams and maps. It is a race against the clock and all questions are challenging. Lukas and Isaac attained a credit in the Junior Section while Braden received a credit in the Senior Section. The other students are given a certificate for taking part. Well done to these students for their participation and success. Their certificates will look good in their achievement folders for the future.

Lindon Darling

Japan Trip Preparation

Arigato to our Japan Trip team for managing to organise their passports and payments so efficiently. Looking forward to continuing our Friday lunchtime meetings in preparation for our September 21 departure. Arigato in advance for leading our Urawa Nishi High School welcome.

Year 12: Belle, Tiarna, Jon
Year 11: Louella, Gracie, Eleanor, Ayala, Kasey, Abby, Lachie, Jamie, Freddie, Chris, Zak
Year 10: Martina, Gemma, Phoebe, Jess, Holly, Logan

Urawa Nishi High School Visit

We are looking forward to welcoming our visitors from Urawa Nishi High School from Friday 26 July to Friday 2 August. A warm arigato to all volunteer host families!
NIHONGO NEWS

First for Japanese in the World in the 101-250 Student Category out of 225 schools!
First in Queensland (All Languages) in the same category out of 41 schools.
Omedeto! Congratulations!

As you can see by the screen shot, again Team Tambo Japanese Department blitzed the recent Language Perfect World Championships!

What a fantastic experience this was for us for the second year in a row. Our entire Japanese Department of 182 students from Years 8-12 enrolled in this ten-day online tutorial competition in which they earned points for correctly answering a variety of Japanese vocabulary questions.

Team Tambo collectively answered a mind-blowing 640,534 questions in what was truly a magnificent team effort. Words can’t express how proud we are of Team Tambo’s awesome team spirit, Although our victory was decidedly a team effort, some individual performances deserve commendation.

Elite Award (10,000+ points)
Amazingly awesome Abby and Lachlan Year 11 who scored 15,000 points each.

Gold Award (3,000+ points)
Year 12:  Rilla, Megan, Deon
Year 11:  Gracie, Jamie, Louella
Year 10:  Logan, Aria, Aleisha
Year 9:  Jordy, Taylah
Year 8:  Sophie, Lukas, Emily, Georgina, Jasper, Sienna, Malina, Zahra, Isaac, Damon, Monique

Silver Award: (2,000+ points)
Year 12:  Tiarna, Jade, Celine
Year 11:  Zac, Ayla, Freddie, Kasey, Chris, Eleanor, Hannah, Spencer
Year 10:  Martina, Jane, Gemma, Erin, Holly, Tayla, Selina
Year 9:  Natasha
Year 8:  Georgina, Eliesha, Ashlee, Lana, Ashlee, Rhiannon, Will, Lawson, Ashtyn

Bronze Award: (1000+ points)
Year 12:  Surabhi, Jon
Year 10:  Austin, Phoebe, Alex, Jake
Year 9:  Eliza, Sarah
Year 8:  Kaitlyn, Tash, Aston; Rosy, Jemma, Sarah, Jemma, Inari, Joel, Peppa, Joshua, Braidon, Zoe, Emily, Rachael, Erin

Credit Award: (500+points)
Year 12:  Belle
Year 9:  Isabella, Eden, Kelsie, Taylor, Maia, Tahlia, Agata, Jaci, Casey, Murray, Tess, Beth, Jacob, Grace, Callum, Jaime, Genevieve, Matt, James, Sammy, Shania, Kacie, Daniel, Johan, Matt

Students knew that achievement of 2000+ meant an invitation to our “Winners are Grinners” Japanese lunch. This will be held early in Term 3 for 62 very worthy students. Special mention to our Year 11 Japanese class, obviously big fans of Japanese cuisine as all earned over 2000 points and thus are all invited to lunch!

We are expecting the truckload of certificates to arrive in Term 3 for our many winners. Omedeto! Congratulations and Arigato! Thank you! to all our competitors.
Year 8 Living History Performance
On Friday the 7th June, year 8 History students enjoyed two hours of interactive medieval history fun, presented by the Living History troupe! Here is what students thought of the performance:

“I found the medieval history performance educational, very interesting and extremely entertaining. I also loved how they allowed us to look and touch the medieval items on display. It was thoroughly worthwhile!” Erin

“Hilariously funny and educational too! It was great fun to interact with the equipment and try on all the clothes.” Agata

“An excellent experience, which was a fun way to conclude the semester.” Thomas

“I found the performance exemplary! It was extremely educational and useful for my general knowledge. In addition, it was very interesting to learn about the medieval lifestyle, especially via demonstrations. I am very thankful to Living History, for helping to expand my knowledge of history.” Jasper

“The history show was so fun! The co-ordinator was crazy and being able to touch everything at the end made the show very hands-on. I would definitely recommend Living History!” Will

“It was hilariously awesome and I really enjoyed being the ‘scum who was dropped from the sky by a rope, burnt, stabbed, punched and had every single ligament in my body pulled apart all at once!’… theatrically of course! But overall every one enjoyed it immensely and laughed A LOT!” Kacie

Christina Rekort-Blundell

Competitions
Congratulations to all of the students who competed in the UNSW ICAS Science Assessment last week and the many that have entered the Australian Maths Competition (scheduled for August and for which entries have been finalised). Entries for the UNSW ICAS Maths Assessment remain open until the first Friday (12/7) after the holidays. Entrants are encouraged to pay $8 to the office by Friday morning on the 12th.

Tutoring
A range of tutorial help is available for students. Senior students should see their teacher or Mr Washburn for details. Junior students are encouraged to take advantage of the Monday afternoon tutorials for Maths and Science. Junior students typically start at 3:15 and finish by 4:15.

Students need to check on the day that a tutorial is on in case a teacher happens to be away sick – in which case arrangements to get home by your normal method of transport can be made.

Capturing carbon dioxide from eggshells
As we get close to the end of the term, students are working feverishly to complete their term 2 projects and units of work. Earlier in the term we showed some photos of student work “under construction”, now we have many of the finished items to present. Congratulations to the staff and students who have worked together to produce some of the highest quality projects I have seen.

The Graphical Design/Technology Studies students have made some very interesting portable speaker systems. Many of the students have also spent lunchtimes completing their designs during the tutorial sessions on Wednesdays, Thursdays and Fridays.

The Year 10 Graphics students have started printing their mag wheels for their formula 1 cars they are designing. The 3D printer is a great way for students to see their designs realised within minutes.

In wrapping up their house plan drafting unit our Industrial Graphics students have been producing more than just drawings as they start constructing models of their house frames.

The jewellery boxes and squatters chairs have taken form and the finishing touches are being applied. Our senior students have really worked hard to produce great quality products.

Mr Pollock will be acting Head of Department while I am away on long service leave so if you have any questions, please contact him on rpoll30@eq.edu.au

Peter Brose, HOD Design Technology

A great opportunity to congratulate a number of students on their sporting achievements in the past month. Jesse and Caleb won their division at the Qld Table Tennis Championships with three of our teams finishing fourth, fifth and sixth.

We had three students representing us as part of the Broadwater Cross Country team at the recent South Coast event. Well done Tara and Isabelle on a great effort and special mention to Scott who has qualified for the South Coast team and will be competing at the Qld Cross Country titles in term 3.

The school athletics carnival will be held on Friday 12 July (Week 1 Term 3). It will be a busy day on the mountain as both primary schools have postponed their carnivals to the same date due to the wet weather.

Athletics training has been well received with twenty students being regulars at the Tuesday and Thursday afternoon sessions. These will continue in term 3 with Mr Watson, even after the school carnival. This week, training will be on Tuesday only, as Thursday has an alternative program with a range of other activities occurring.

With the conclusion of the interschool team sports competition we had two teams win their divisions and compete in the World of Sport Gold Coast Interschool finals. The 13 year boys and the 14 year girls soccer teams played valiantly in their respective semi finals, however were defeated. Congratulations to both teams and next year they aim to get to the top.

Many thanks to all of the students whose behaviour and sportsmanship were commendable and to the staff who trained and coordinated team matches during the year.

Mr Pollock will be acting Head of Department while I am away on long service leave so if you have any questions, please contact him on rpoll30@eq.edu.au

Peter Brose, HOD Sport
**HOME ECONOMICS, HOSPITALITY & EARLY CHILDHOOD**

**Responsible Service of Alcohol Course**
On Tuesday 16 July (Term 3 Week 2) Ignite, a private provider, will be conducting a Responsible Service of Alcohol Course in the school library from 9 – 3pm. Students undertaking the Certificate II in Hospitality are required to attend this course in order to complete their full certificate and will be given priority in attendance. The cost will be $65.00 per student.

This course is also open to other senior students who many require this for their traineeship or apprenticeship or need it as a requirement for part time employment. Any student interested in undertaking this course can obtain a parent consent and payment form from Mrs Cox or Mrs Spence.

**Nutritional Requirements**
Teenagers need a higher calorie intake than adults because of their faster metabolic and growth rates. A teenage athlete burns even more calories than a sedentary teen and thus needs more calories. A male teen athlete may need 2,000 calories more a day than a non-athlete the same age.

An athlete needs the right balance of protein, healthier fats and carbohydrates. In general, a teen needs between 55 to 60 of calories from healthy carbohydrates, about 15 percent of calories from lean proteins and up to 30 percent of total caloric intake from healthy fats.

Read more: [http://www.livestrong.com/article/428143-high-school-athletes-nutrition/#ixzz2W5z7J7Oh](http://www.livestrong.com/article/428143-high-school-athletes-nutrition/#ixzz2W5z7J7Oh)

First week back will see our Athletics Carnival on Friday July 12 – maybe a bit of holiday training could be in order.

Term 3 will soon be with us and HPE classes will continue in the following areas:

<table>
<thead>
<tr>
<th>Year Level</th>
<th>Topics</th>
</tr>
</thead>
</table>
| Year 12    | Practical: Badminton  
Theory: Figueroa’s Framework  
All day assessment on Friday August 30 |
| Year 11    | Badminton and Sports Psychology |
| Year 10    | Gym training (Main Fitness) |
| Year 9     | Sex Education (opt-out program)*  
AFL |

* Forms will be going home outlining this program. If you do not wish for your child to be included, please complete the Opt-out section of the letter and have your child return it to their HPE teacher.

The Certificate III Sport and Recreation classes may also be involved in a Gymnasium Program. We hope all students have a relaxing break over the winter vacation.

**Junior Culinary Challenge**
On Thursday 13th June 2013, two year 10 Food Studies students attended a Master Class day at The Gold Coast TAFE in preparation for the 2013 Junior Culinary Challenge. TMSHS will be represented by Eden and Alyce in this year’s competition. The competition has strict guidelines and requires the students to produce a plate with certain food items in 90 minutes and a maximum cost of $10.00. The students have also been required to be mentored by a Chef at an established restaurant. We have been fortunate to be mentored by DeliVino’s Executive Chef - Paul and his staff. The Semi-finals are on the Saturday 27th July 2013. We would like to express our sincere gratitude to DeliVino’s for their time and professional help in establishing our hopefully prize winning dish.

Mrs Walker  
Junior Culinary Challenge Co-ordinator
**TAFE Schools Programs 2014**

Each year, Tamborine Mountain State High School works in conjunction with Gold Coast Institute of TAFE, Metropolitan South Institute of TAFE and Southbank Institute of Technology to offer Year 11 and 12 students the chance to be part of the TAFE School’s Program. Students must be enrolled in school and are able to attend a TAFE venue one day per week. TAFE credit points are counted towards a QCE – Queensland Certificate of Education. Generally, a Certificate II will contribute 4 QCE points and a Certificate III will contribute between 6-8 points. Twenty credit points are required to complete the QCE.

All three campuses offer a range of courses. Students will study one or sometimes two less subjects at school to cater for their commitment to the TAFE course. The TAFE option is not suited for students seeking an OP for university entry – but may still like to consider this option.

There are costs associated with enrolling in these courses. Courses are generally over one or two years.

For more information, go to their websites: [www.gcit.edu.au](http://www.gcit.edu.au), [www.southbank.edu.au/STEP](http://www.southbank.edu.au/STEP) or [www.msit.edu.au](http://www.msit.edu.au)

At this stage, Southbank Institute have an application period from July 22 until August 19, GCIT have enrolments closing September 6, 2013 and MSIT will be taking expressions of interest later in the year.

For all career guidance please see our Guidance Officer, Mr Wackwitz and for general TAFE information please see Mr Ross.
Kids in Community - Logo Challenge

Kids in Community need a logo and we need your help. So, we are holding a competition for all school aged children.

What next?

We need you to come up with a fun, easily recognisable logo that must include the letters *kic* but the rest is up to you.

The student who produces the winning design will receive $100 in prize money and their logo will be used on all publicity material, letterhead, advertising etc.

All designs need to be emailed to kictm1@gmail.com or posted to PO Box 41 North Tamborine QLD 4272 or handed in to the Ray White Rural Tamborine Mountain office, marked for the attention of Andrea Walker/Rod Stehr, 2/18 Main Street, North Tamborine.

Entries must be received by Monday 8th July at the latest and the winner will be announced in the Thursday 18th July edition of the Tamborine Times.

Good luck everyone. Very excited to see all your amazing ideas!

The Administration Team is available to parents/caregivers and students. Please feel free to email.

Griffith Garrets Creative Writing Competition

If you’re a Year 10 to 12 students with a passion for creative writing and an interest in short stories, then Griffith Garrets is for you!

For your chance to be in the running for some awesome cash prizes for you and your school, create a fictional short story with any theme of up to 2000 words.

Submissions close 29 July 2013! For competition details and to register visit Griffith.edu.au/creative-writing

2013 Literary Competition

Information and entry forms for the 2013 Literary Competition that our students enter every year has arrived and all students are invited to consider entering either a poem, a short story or for seniors only, non-fiction prose as well.

For Years 11 and 12 the word length for the short story is 600 – 1500 and slightly shorter for Years 8 to 10. There are no entry fees, and prizes range from $300 down for various categories. All entries must be submitted through the school and each English teacher has a copy of the entry forms.

Closing date is Friday 12 July.

Teachers can work with students before school, morning tea, lunch time and after school. Students can also email teachers.

### Year 8 Home Economics
Students electing to undertake Home Economics as a subject for Semester 2 have recently been sent home with a letter offering a fee payment option. The school would have also invoiced this amount to your child’s school account. You may elect to pay the fee and all ingredients and fabrics will be supplied to your students or parents may elect to purchase all the required resources. Payments are due in the second week of Term 3, by Friday July 19.

---

### Year 9 / 10 Food Studies
Students continuing in Year 9 and 10 Food Studies will receive a fee payment letter for Semester 2 this week. Please ensure the permission note is filled in and returned to the school with payment by the end of the second week of Term 3, Friday July 19.

---

### Year 11 / 12 Certificate II in Hospitality
Students continuing in Year 11 and 12 Hospitality will receive a fee payment letter for Semester 2 this week. Please ensure the permission note is filled in and returned to the school with payment by the end of the second week of Term 3, Friday July 19.

Students in this subject have recently been offered an opportunity to undertake a Responsible Service of Alcohol course that will be taking place on Tuesday 16 July. At present, not all students have taken advantage of this; there are some places still available so if your child is interested they need to see Mrs Spence as soon as possible.

#### Responsible Service of Alcohol course – Tuesday 16 July
Parents who have paid for their student to undertake the Responsible Service of Alcohol course are encouraged to remind their student to attend school on this Tuesday. The course will take place in the library and students are asked to meet outside around 8.45am for a 9am start. They will require something to write with.

---

### Teachers are available before school, during breaks and after school for students or they can be contacted by email:

- Mr Wayne Anderson: wande2@eq.edu.au
- Mrs Kylie Dobson: kdobs19@eq.edu.au
- Mr Josh Kennedy: jkenn170@eq.edu.au
- Mrs Amie McConnell: ajenn46@eq.edu.au
- Mrs Emmalee Nicholls: enich59@eq.edu.au
- Mr Ryan Pollock: rpol130@eq.edu.au
- Mrs Shelley Spence: sspen11@eq.edu.au
- Mr Glenn Watson: gwats7@eq.edu.au

</table>
As we look to the beginning of Semester Two our thoughts turn to warming winter foods. Term Three will see the return of soups, homemade pastas and curries as well as hot chocolate!

A limited supply of stationery products will be available from next term also, so if you are in need of pens, workbooks or even a USBs flash drive in a hurry, you'll be able to purchase these at the tuckshop during breaks.

Don't forget if you are missing out on your favourite meals, you can order before school or during first break.

EFTPOS popularity is on the increase with debit and credit card payment available. A minimum $5.00 spend is required to use plastic or you can open an account. There's no reason to go without lunch with a little forward planning.

The first Friday back in Term Three sees Athletics Day return, always a fun day. Woo hoo! The tuckshop will be running a BBQ at the oval starting bright and early serving breakfast bacon & egg rolls and sausage, bacon and cheese muffins. Mid morning through lunch chicken, vegie and beef burgers will be available as well as potato wedges and fish'n'chip packs. Ice creams, slushies and drinks will be for sale throughout the day.

And if you find yourself with a few hours of spare time why not volunteer in the tuckshop? Janice Carpenter is the volunteer coordinator. You can find Janice in the Uniform shop on Monday and Thursday mornings or you can leave a message on 5545 7222, Janice will get back to you. There is a rewards programme on offer, so your efforts can bring rewards in more ways than one.

Lastly, after more than five years in the tuckshop, Cheryl Wallace is finishing up. Cheryl has seen many changes over the years and has been a highly valued member of the team. We wish Cheryl the very best and we shall all continue to enjoy her recipes for years to come. Thanks Cheryl.

Any queries can be answered by tuckshop staff, please phone 5545 7250 or our new email address tuckshop@tamborinemtnshs.eq.edu.au.

Look out for the full Winter Menu coming soon!
ORAL HEALTH CARE MATTERS

Did you know that Gold Coast Hospital and Health Services – Oral Health Services in both the community and school dental clinics accept Medicare Teen Dental Scheme Vouchers?

Good oral health care is important for young people. The government has provided Medicare Teen Dental Scheme Vouchers to help enable and maintain good oral health and preventative care. These vouchers can be presented to private dentists or Gold Coast Hospital and Health Services – Oral Health Services, including a community or school dental clinic.

Children attending schools up to the end of Year 10 who present a Teen Dental Voucher with Gold Coast Oral Health Services will receive a comprehensive examination, x-rays, scale, clean and a full course of care. Children in Years 11 and 12 in receipt of a voucher can only be seen by Gold Coast Oral Health Services if the eligibility criteria is met. They will then be placed on a waiting list to receive a comprehensive examination, x-rays, scale, clean and a full course of care.

If the Teen Dental Voucher has been used at a private dental practice, completion of the private dentist’s treatment plan will need to be undertaken privately at own cost. Gold Coast Hospital and Health Services will only be able to provide Emergency Care for these children, not a full course of care as prescribed by the private dentist.

Gold Coast Hospital and Health Services – Oral Health Services have qualified and experienced dentists, oral health therapists, dental therapists and dental assistants who work together to provide a range of oral healthcare services to meet your child’s specific oral health needs in a caring environment.

As the Teen Dental Voucher expires by 31.12.13, it is important that you arrange your appointment as soon as possible by telephoning the Gold Coast Oral Health Services Call Centre on 1300 300 850. Oral health services are also provided during all school holiday periods.

For more information on the nearest community or school dental clinic, the Oral Health Call Centre will be able to assist you with your enquiry.
