**UNIFORM POLICY**

Reminder to all parents of female students - skirt length. Please do not cut/take up hem, or assist girls to do so. Some students are altering their skirts therefore the length is not appropriate, and as such these students will incur consequences.

---

**Highlights**

**RED CROSS**

The Red Cross Blood Bank gained valuable blood donations last week when 13 students from Tamborine Mountain State High School volunteered to donate blood. Club Red Ambassadors, Zinta and Sammy, have worked tirelessly to promote and organise this cause, culminating in the donation of blood from students at the Red Cross Van, when it visited Tamborine Mountain. Chris from Tamborine Coaches donated his time and the free use of his bus, allowing students to travel to and from the Blood Van with ease and at no expense.

Each week in Australia over 27,000 blood donations are needed to meet patient demand.

The students who participated have realised that by donating blood they can save lives, and each donation can help save the lives of three patients. Well done to both students and Chris for ensuring that the next generation continues to support Red Cross by donating blood and saving lives.
**BANDANNA DAY – 2014**

Once again students enthusiastically and generously supported Bandanna Day. The school was awash with coloured bandannas worn in a range of styles.

Many staff and students participated fully with Miss McMahon sporting a flowing skirt styled from Bandannas, and Josh dressed in a waistcoat made totally from the colourful Canteen Bandannas. Once again Josh has been a driving force behind the popularity of many students supporting Canteen and those suffering with cancer. Congratulations to both staff and students who raised $800 for Bandanna Day 2013.

**JAZZ ON THE GREEN (Red Food Day)**

The new date for Jazz on the Green is the 8th of November. This will be held during lunch time for all year level students with the school band and choir providing the entertainment. Students are already organising the food for their picnics as well as a variety of food being available from the canteen.

Order forms are available and are to be handed in with payment. Orders and payments are to be in by Wednesday 6th November. This should prove to be a fun, relaxing lunch, with prizes for the most creative and colourful hats, as well as lots of other giveaways particularly for Year 12 students in their final weeks of school.

**TMSHS Winter Jacket**

Winter jackets (new style) are now available from the uniform shop. They are approximately $100.

The school has initially ordered 150 jackets of different sizes.

Early orders would be appreciated as future orders may take as long as 8 weeks to arrive.

**ADF Long Tan Leadership and Teamwork Awards**

The Australian Defence Force (ADF) Long Tan Leadership and Teamwork Awards recognise students who demonstrate leadership and teamwork within both the school and the broader local community. At the same time, they recognise those who display strong values, such as doing one’s best, respecting others and mateship; characteristics that are integral to Australian society. This week Tamborine Mountain State High School was honoured to welcome past student Pte Jake Donnan to present certificates and cheques to the 2013 recipients of this prestigious award. Jake graduated from Tamborine Mountain State High School in 2009. After hearing about the Army’s Gap Year Program, which allows you to join the Army for a period of 1 year with no obligation to continue service, he decided he enjoyed being in the Army. Jake stated in his speech to students that he has had the privilege of serving his country overseas.

Breeana (Year 12) and Martina (Year 10) were both awarded winners of the Long Tan Leadership and Teamwork Award for their outstanding contribution in the areas of leadership, teamwork, values, communication, co-operation, communication and community involvement. Congratulations Breeana and Martina!

**First Aid and CPR Course**

Some of our TMSHS staff were put through their paces on the pupil-free day on Monday 21 October, completing either their full first aid or their annual CPR update. Well done everyone!

**P & C TREASURER - POSITION VACANT 2014**

The P & C Committee has a vacancy for P & C Treasurer for 2014. This is a fantastic opportunity to be part of your school and to learn new skills and work alongside friendly and enthusiastic P & C members. You will have full support and training from a bookkeeper, whilst helping your school to maintain the essential support of the P & C. Bookkeeping experience is preferred however not essential. If you are interested in this role please call Michelle on 0402 599 940 or ring the school on 5545 7222.
Snakes Alive!

**TMSHS Snake Sighting Procedures**
- Students to report any snake sighting to a staff member immediately. Staff member to notify Administration.
- Students are not to approach, attempt to catch or kill any snake that they sight.
- If the snake is still or is moving away from you, stop. Move slowly in the opposite direction.
- If the snake moves towards you, remain still and try not to panic. Wait until the snake has left then report it to a staff member.
- Watch the snake from a safe distance.
- Warn other people who are around the area that there is a snake and to move away.
- If the snake moves off do not follow it. Watch the direction that it moves and advise the staff member when they arrive.

**ICAS English Results**

Congratulations to the following students who participated in the ICAS English Competition earlier this year and who achieved certificates.

**High Distinction** (placing these students in the top 1% of the state):
- Year 8 - Erin, Isaac

**Distinction** (placing these students in the top 7% of the state):
- Year 8 - Rory, Jasper;
- Year 10 - Phoebe;
- Year 12 – Megan;

**Credit**: Year 8 - Lukas

**A.B. Paterson College Public Speaking Competition**

Entrants for this year’s A.B. Paterson Speaking Competition were Erin (Year 8), Zinta and Megan (Year 12). This annual competition is one which exposes students to a variety of excellent speakers from other schools on the Gold Coast and offers valuable experience in public speaking.

Each student was given eight topics from which to choose. The competition began with qualifying heats followed by finals a week later.

All speakers delivered their speeches with confidence, enthusiasm and eloquence and were a credit to our school. Competing with the impressive performances of other contestants, predominantly from Gold Coast private schools, it was very gratifying and deserving that Erin was successful in being selected from the heats to represent Tamborine Mt S.H.S. in the preliminary finals.

Erin gave an outstanding performance in the preliminary finals and was chosen to continue into the finals. Unfortunately, this year, she missed out on a place but next year may be another story.

Congratulations to all three girls who participated, preparing and rehearsing speeches in the midst of a heavy assessment period at school. I also must extend my appreciation to the parents, who provided moral support (and transport) for their children.

**Until next year,**
Maree Page-Gear

**Year 8 ENF Book Reviews**

At the beginning of Term 4, Mrs De Redder’s Year 8 English Foundation class conducted book reviews on books read over the holidays. Congratulations to Ethan whose review has been posted on the library site. Visit the site to read Ethan’s review, reserve books and find out what’s new in the library.
This morning, a colleague shared with me an article espousing the value of the Arts in relation to academic performance, social development and well being. Professor Andrew Martin states that, “being involved in the Arts developed a range of skills which helped students throughout school, from teaching self-discipline to putting them in contact with other socially competent human beings”. This study confirms what we as Arts staff know as we see students flourish and grow through their selected Arts area. As individual practitioners, the staff have experienced this personally and their life experiences are what drive them to provide Arts related opportunities and exude passion for their areas.

This term has once again seen our staff extending themselves and their students through a range of public performances including: Dance Ed in the Spotlight, our school Sports Awards Ceremony and The State Band Competition. Congratulations to the students who excelled in these public arenas and to the staff for providing the opportunities.

It is with excitement and sadness that we farewell the Year 12 students in a couple of weeks, however we can be confident that our subjects have prepared them both academically and socially for a rewarding and successful future.

Ms Cheryl Dundas HOD Visual and Performing Arts

Music Department

With the final term well underway the Music Department has everything into gear.

Recently the Stage and Concert Bands performed at State Band Competitions at a B Grade sectors level. There was a wide variety of schools at the competition from both the public and private sectors. The Stage Band performed jazz pieces at the Calamvale Community College receiving a Silver Trophy. The Concert Band performed at Iona State College receiving a Bronze Trophy.

At both performances the bands had the opportunity to see other schools’ presentations, which was certainly of benefit to all. It has been a wonderful experience this year for all ensembles to be able to perform at a wide variety of venues, and as the year has progressed all have grown in strength. Both the Stage and Concert Bands are to be congratulated for their effort, skills and representation of the school.

The Vocal Ensemble is to be applauded for their performance at the recent Sports Awards Ceremony. The Concert Band will be performing at the upcoming Awards Ceremony, next week. This will be followed by both the Vocal Ensemble and Stage Band performing for the school’s first ‘Jazz on the Green’, where the whole school can picnic, relax and enjoy.

Our sincere thanks go to all our students and their families for their continued efforts and enthusiasm in the Music Department.

We thank all parents/caregivers for their commitment to making sure the students are supported in their Vocal/Jazz/Concert/Strings endeavours.

Cam Hart/John Clyde

Dance

Congratulations to the 34 dance group students! On the 25th of October TMSHS students participated in the Dance Ed show. There were just over 900 students from surrounding coastal schools at the event, and our students were at the top for behaviour and effort. Each student conducted themselves with great pride and maturity and performed at an outstanding level. Both the Junior and Senior dance group performed their jazz dance. It was an absolute pleasure to be the teacher of these incredible students.

Just days after, the students performed at the school sports awards ceremony. As the opening and closing act for the prestigious event, it was a lovely way to conclude the performances for 2013. Both groups have brought colour, energy, talent and excitement to each event over the year and I am extremely sad to see the year coming to an end. Thank you so much boys and girls, you have truly made my year!

Regards Mrs McConnell

MEDIA SUBJECTS

This term we welcomed pre-service teacher Nicholas Grant from Griffith University for a 6-week practicum. His background in photography and social documentary proved to be an asset to our classes and we thank him for his effort and dedication to our students.
Year 9 Media Studies
Both Year 9 groups have been busily creating their zombie movie trailers and we have seen a diverse range of ideas and approaches to the production. We’re looking forward to some creative and interesting results. This unit of work combines a range of skills including cohesive teamwork, detailed planning, production techniques and special effects makeup.

Students attended a makeup workshop at the beginning of the unit and have since created some high quality realistic effects. The convincing bruises, scratches and gruesome wounds pictured are indeed special effects. Great work so far Year 9!

Mrs Mowbray

Year 10 Media Studies
This term the class have been filming their group documentary films. With topics ranging from “Skin Care Products” and “Tattoos” to “School Tuckshop Food” and “Dogs With Problems,” they promise to be interesting viewing! This clever bunch has been learning about interview techniques, recording voiceovers and using lighting for mood, and have shown tremendous maturity in their work. I’m already excited at what next year will bring for our elective Film, Television and New Media class. Well done Year 10!

Mrs Mowbray

Year 11 Film, Television and New Media
The Year 11 class are finishing off their Australian film unit with a design task for an ABC website called “Heywire.” The class have enjoyed critiquing Mr Grant’s photography and learning more about photo composition and lighting. This is the last assessment for the Year 11 class and I’m really proud of their efforts this year. Next year promises to be a successful and enjoyable year with this class.

Mr Smith

Scholarship at Griffith University
For the last year, Year 12 Business students have taken advantage of the Griff/BUS program at Griffith University. This allowed them to go to the university for several days, to experience life as a university student, to go to lectures and take part in smaller tutorials. On each visit, there was assessment and successful students were able to get direct entry to any Business degree of their choice. Six of our students were able to gain entry to a wide variety of courses, regardless of their OP result, as long as they gained a B grade in Business and a C grade in English at school. Nick also completed the program, but was unable to attend the ceremony. It was pleasing to note that four students gained a Distinction in the assessment.

In addition, students were able to apply for a scholarship from the Business Department of Griffith University. After an application and interview process, we are very pleased to announce that Tayla has been awarded the scholarship. This will certainly help with tuition fees and we hope that it will enable Tayla to successfully complete a Business degree at Griffith University.

Mr Andy Clark

Teacher of Business and Math
Bilby Crossword Competition

Congratulations to all students who entered the crossword competition.

This year we have two prize winners: Emily (Year 9) – Winner of a family pass to Alma Park Zoo; and Casey (Year 8) – Winner of a Chocolate Bilby.

Mrs Danielle De Redder

TMSHS Japan Trip 2013

So much fun, fascination, laughter, cool Japanese school, language, culture, history, country, and awesome Aussie Tambo Japan Trippers, along with arigatos to our super support crew back home, packed into our TMSHS Japan Trip 2013...15 days...21 students...3 staff...3000 photos!

Mrs Susie Fenton

Photos: Welcome; Freddie Assembly; Principal; Kamakura Group Photo; Teachers; Disneyland Group Photo

Breaking JAPANESE News....

Our wonderful Murasaki Sensei, Mrs Susie Fenton, has had the great honour to be invited to visit the Asia Pacific University (APU), located in the town of Beppu, Japan in January 2014. All costs associated with travel including airfares and accommodation will be covered by APU. This invitation is being extended to only a select number of Japanese teachers in Queensland. Congratulation Mrs Fenton!!

Year 12 Legal Studies students finished off their final unit looking at the much publicised new bikie legislation in Queensland as well as the closure of Queensland’s Murri Court. The students reflected over the last two years and came up with a list of offences that they have become knowledgeable about. I would like to take this opportunity to wish the Year 12’s all the best in their future career endeavours.

Mrs Maree Rowell
Check out these recent activities:
Awesome bottle rockets on Tuesdays...

**Year 10**

Rat tongue cell at 400x magnification, identified by Year 11 Biology student Amanda. Students prepared slides with material collected during dissections. The slides were screened using the school’s new digital microscopes.

The Year 12 Biology class headed down to Jacobs Well Education Centre with Mrs Henderson for a day of Environmental Testing. Students surveyed the mangrove environment using quadrats and point surveys. It was a highly successful excursion with a particular highlight. Kalem, one of the students, has potentially discovered a new plankton species! We are waiting on further advice from the Australian Museum. On first review it’s thought the species has not previously been identified.

Students prepare stained slides of cells from various organs, for analysis and comparison among species in Year 11 Biology.

**Year 11 Physics...**
Question:
Why would thirty-odd Year 11 and 12 students come to school on a Tuesday when they don't have to?

Answer:
....to study Maths and Science of course!

Year 12 Physics
Aude and Bronte, Year 12 Physics students reflect on the fun they missed out on by not doing Biology and dissections. Never mind, amusement was gained by all, enjoying a final lesson with Mrs Schamburg, wearing lab coats!

Crystal cooling experiments...

Dioramas – Year 9 Ecosystems

Ecosystems, species interactions and human impacts were the focus of Year 9’s dioramas. Some exemplary submissions were made demonstrating high levels of understanding, ingenuity and effort. These models have been put on display. We were lucky to have Mrs Brose came to inspect the display and make enquiries about the unit.
Wednesday the 30th saw athletes, performers, parents and staff come together for the 2013 Sports Ceremony. The day ceremony was a great success thanks in part to the hosting skills of our 8 sport captains: Chris, Joe, Marianne, Jonny, Beth, Sarah, Adrian and Oscar.

Major award recipients included:

Overall Age Champions
- 13 Years – Mikalea and Issac
- 14 Years – Isabella and D’Arcy
- 15 Years – Pia and Ben
- 16 Years – Jordan and Scott
- Open – Bronte and Riley

House of the Year
- Waiburra

Service to Sport
- Chris and Joe

Excellence in Sport
- Jordan

Sportswoman of the Year
- Bronte

Sportsman of the Year
- Jeremy

Special thanks must go to the Vocal Ensemble and the Dance Groups for their wonderful performances throughout the ceremony. Also a big shout out to our Techies Lochie and Rylee for their professionalism and flair.

Congratulations again to all awardees and we wish them continued success in their chosen sports.
**Hospitality and Food Studies**

Students have been very busy in the kitchens recently and have put together some delicious creations.

Hospitality students have made some festive treats – Christmas cookie trees and Year 10 Food Studies students have been designing their gingerbread men in preparation for their gingerbread house creation task coming up soon.

**Years 11 / 12 Early Childhood Development**

The senior Early Childhood students have recently completed a unit of work on the importance of play. As one of their assessment tasks they have been busy making their own big books to share with children. Some of these finished pages can be seen in the picture located below.

**Apprenticeships**

Freddie – signed up to a school-based apprenticeship 19/09/13 to do Cert III in Polymer Plastics (Fabrication) – well done.

Year 10 Work Experience is nearly finished – we started with over 30 students and are down to around 13 students still attending work experience on Tuesdays. Students have had a great time learning new skills and trying out different occupations. Feedback from employers has been positive.
The Administration Team is available to parents/caregivers and students. Please feel free to email.

As part of St Bernard State School’s centenary celebrations, we are establishing a “Centenary Garden”

to commemorate 100 years of great education on Tamborine Mountain. You have the opportunity to be a special part of history by participating in this great project and purchasing a paver to be placed on the Centenary Garden Path.

**YOUR NAME WILL GO DOWN IN HISTORY**

**OFFER 1 - INDIVIDUAL PAVER**
Your donation of $45 or more entitles YOU to have your name engraved into a paver as a lasting record of your valued support. The paver will be permanently installed in the Centenary Garden Path

**Engraving details:** Please print clearly in block letters. Each square represents one letter, number, space or punctuation mark. (34 max)

**OFFER 2 - DOUBLE PAVER**
Your donation of $90 or more entitles YOU to have your name engraved into a double paver as a lasting record of your valued support. The paver will be permanently installed in the Centenary Garden Path. (68 letters max)

**OFFER 3 - BUSINESS PAVER**
Your donation of $150 or more entitles YOU to have your business logo engraved into a paver as a lasting record of your valued support. The paver will be permanently installed in the Centenary Garden Path

**A UNIQUE AND LASTING RECORD OF YOUR SUPPORT**

Simply fill out this form and return along with logo (offer 3 only) and Tax Deductible Donation to the St Bernard State School Office, 19 School Road, Tamborine Mountain (school days 8:00-4:00).

Or post cheque/money order to St Bernards State School P&C, PO Box 291, North Tamborine Qld 4272
