

TMSHS Summit STEM Academic Academy Program Application Process

Entry into the TMSHS Summit STEM Program involves a two-step process:

1. **Written Application** – Submission of a completed application form.
2. **Report Card Review** – Assessment of effort, behaviour, and attendance.

Applications are open to students residing both within and outside the catchment area for Tamborine Mountain State High School.

Students accepted into the Summit STEM Program are expected to consistently uphold the program's minimum standards. As part of their commitment, Summit STEM students are encouraged to:

- Maintain strong academic achievement across all subjects, supported by exemplary behaviour and effort.
- Consistently demonstrate the values of Respect, Integrity, and Care within the school environment.

Successful applicants are expected to uphold these standards for the duration of their enrolment at Tamborine Mountain State High School.

Student progress and adherence to program expectations will be reviewed each reporting period to ensure students are managing the program's academic and personal demands.

All applications must be submitted by **19 November 2025**.
