

TMSHS Sports Academy Application Process

Entry into the TMSHS Sports Academy involves a three step process:

1. Written Application - Submit a completed application form.
2. Report Card Review - Assessment of effort, behaviour, and attendance.
3. Sport Trial

Academy applications are open to students living both inside and outside the catchment area for Tamborine Mountain SHS.

Students in the TMSHS Sports Academy are expected to consistently meet the Academy's minimum standards. As part of their commitment to the program, Academy students should be working towards:

- Achieving a Very Good or Excellent for behaviour and effort in the majority of subjects
- Demonstrating the values of Respect, Integrity, and Care across the school environment

If accepted into the program, it is expected that these standards continue to be upheld throughout their involvement in the Academy.

Student progress and adherence to these expectations will be reviewed each reporting period. Failure to meet the minimum standards will result in a formal review of their participation in the program. This review process generally follows three stages; however, serious breaches may lead directly to Stage 3.

Review Process:

- Stage 1: Review, reflection, and goal setting with the Academy teacher and Head of Department (HOD)
- Stage 2: Probation period and continued goal setting with the HOD
- Stage 3: Removal from the Academy program

Applications should be received prior to September 5th 2025.
