The Laptop Charter is developed by the Queensland Government and outlines the terms/conditions of the agreement. It is a requirement that this document is read and signed before acceptance into the laptop program (attached). If paying on the internet please return signed forms to Mr Graeme Locastro (Deputy Principal). Each individual student must have their own Laptop Charter completed and signed.

Student Resource Hire Scheme is a separate cost to the Laptop Program.

The P&C Executive Committee has introduced a 'Volunteers Rewards Scheme' which is open to all school volunteers. By volunteering in the canteen or uniform shop you will be able to claim volunteer reward points against the cost of uniforms, student resource hire scheme or the laptop program. This scheme has proven to be very popular and some volunteers have been able to offset a substantial amount of school administrative costs through this scheme to the value of several hundred dollars each year. Please contact Imoor296@eq.edu.au if you are interested in participating in this scheme. Time still exists for parents/caregivers to undertake volunteer shifts towards the costs of the November to November laptop payment.

Please do not hesitate to contact Graeme Locastro gloca1@eq.edu.au if you have any questions.
