School Overview

Following is the My School summary text for Tamborine Mountain State High School provided by ACARA in February 2012, and included in the most recent School Data Profile report: Tamborine Mountain State High School is located in the hinterland behind the Gold Coast. The school was opened in 1999 with a student population of approximately 150 Year 8 and Year 9 students. The school was then an annex of Helensvale SHS (45 minutes away). However, in 2001 the school was given independence and began life as a fully fledged High School. Our school now caters for Years 7-12, with approximately 991 students currently enrolled. The Tamborine community has a strong and passionate association with the school and collectively aspires to an exceptional performance level for its students. Our school is well resourced and technologically sophisticated. Tamborine Mountain State High School is characterised by a focus on literacy/numeracy as the basis for all learning. Our learning is relevant, challenging and responsive to individual and group needs. Staff are committed to excellence in teaching and learning. We have a supportive and disciplined environment in which all students can learn

Principal's Foreword

Introduction

Our School Annual Report 2018 includes the following information:

- Our curriculum offerings available within our extensive variety of subjects at Tamborine Mountain State High School.
- Our vast range of extra-curricular opportunities available to our students, together with our staff commitment to these activities.
- Our teachers' qualifications and a summary of professional development undertaken by our teaching staff.
- Student performance results and key outcomes for our 2017 Years 7 and 9 NAPLAN testing and our exiting Year 12 cohort.
- Specific subject offerings within each of our faculties.
- School Opinion Survey outcomes.

School Progress towards its goals in 2018

Tamborine Mountain State High School is committed to Excellence in Learning. Our students will be active and reflective members of the community, with the skills and desire to be lifelong learners. To achieve our vision (purpose), Tamborine Mountain State High School is characterised by:

- A focus on literacy / numeracy as the basis for all learning;
- Learning which is relevant, challenging and responsive to individual and group needs;
- Productive partnerships throughout the school community;
- A focus on literacy / numeracy as the basis for all learning;
- Learning which is relevant, challenging and responsive to individual and group needs;
- Productive partnerships throughout the school community;
- Staff who are committed to excellence in teaching and learning;
- A supportive and disciplined environment in which all students can learn.

Future Outlook

- Implementation of High Yield Program (Reading, Numeracy, Literacy, Spelling).
- Certificate III expansion – 50% of Year 10 cohort successfully complete a Certificate III qualification, Business/Sport and Recreation.
- Introduced Diploma for twelve months for Business (only one of two high schools offering this).
- Timetable re-structure – greater flexibility.
- Reflection on Year 7 Flying Start Implementation/NAPLAN (Years 7 and 9) adjustments.
- Learning Support/Special Needs QSIL Framework.
- Axiom – Certificate II courses are also offered to Years 10 – 12 in 2018

Our school at a glance

School profile

Coeducational or single sex	Coeducational
Independent public school	Yes
Year levels offered in 2018	Year 7 - Year 12

Student enrolments

Enrolment category	2016	2017	2018
Total	878	915	935
Girls	454	471	483
Boys	424	444	452
Indigenous	17	21	26
Enrolment continuity (Feb. – Nov.)	95%	92%	95%

Notes:

1. Student counts are based on the Census (August) enrolment collection.
2. Indigenous refers to Aboriginal and Torres Strait Islander people of Australia.
3. [pre-Prep](#) is a kindergarten program for Aboriginal and Torres Strait Islander children, living in 35 Aboriginal and Torres Strait Islander communities, in the year before school.

In 2018, there were no students enrolled in a pre-Prep program.

Characteristics of the student body

Overview

- The area is semi-rural. The majority of students who live in the school's catchment area attend Tamborine Mountain State High School.
- The community comprises a broad section of occupations covering tertiary, professional, business, rural and general employment sectors.
- The student body is derived from a medium to high socio-economic background. It is cohesive and reflects minimal social and cultural diversity.
- There are approximately 1.5% indigenous (ASTI) students.
- There are approximately 1.07% students that are "kids in care" and live with foster families.
- The transient nature of students is minimal and tends to be as a consequence of parent/caregiver work needs that require family re-location.
- Parents/caregivers have high expectations and take a keen interest in the education of their children.

Average class sizes

Phase of schooling	2016	2017	2018
Prep – Year 3			
Year 4 – Year 6			
Year 7 – Year 10	22	22	22
Year 11 – Year 12	17	21	19

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum delivery

Our approach to curriculum delivery

Tamborine Mountain State High School aims to give all students the power to be knowledgeable and informed, with literacy and numeracy as the basis for all learning. We are committed to providing multiple academic pathways.

Co-curricular activities

Junior Secondary Schooling 7 – 10

The Junior Secondary program encompasses subjects from the mandated and optional units of the eight Key Learning Areas (KLAs).

Key Learning Areas are:

- English
- Mathematics
- Science
- Technology
- Languages Other Than English (LOTE)
- Health and Physical Education (HPE)
- History/Geography/LOTE
- The Arts

Students are assessed and reported upon four times per year to ensure parents/caregivers and students are informed of individual progress. In addition Parent/Teacher Interviews are conducted three times per year to ensure up to date communication between parents/caregivers, students and the school occurs.

Extra curricula activities

Senior Schooling 11 – 12

Subject selection for the Senior Certificate studied over Years 11 and 12 offers a range of options. The subjects chosen may reflect a particular specialisation or may allow students, as yet not confirmed in their career choices, to keep their options open. Levels of Achievement awarded on exit for Year 12 form the basis of a student Overall Position (OP) or selection rank.

Vocational Education and Training

Tamborine Mountain State High School recognises the value of vocational education and training (VET) programs for school students as an integral part of a sound general education. Our school works in partnership with Binnacle to provide Certificate III opportunities for students on-site (Business and Sport and Recreation).

VET is a structured sequence of training and education, recognised across Australia. It is delivered in the form of accredited competencies from endorsed training packages, leading to recognised qualifications under the Australian Qualifications Framework. Students may be undertaking:

- Recognised VET as a part of the post compulsory curriculum programs.
- School Based Apprenticeships or Traineeships while studying for their Senior Certificate.
- Five authority subjects (qualifying them for an Overall Position OP) and selecting one VET for interest or simply to enhance part time employment opportunities while studying at university.
- A course that interests them knowing that they may still qualify for tertiary study by gaining a selection rank.

Extra curricula activities

Academic

- ASX Game
- Buy Smart Business Competition
- English Competitions
 - ICAS English Competition
 - ICAS Writing Competition
 - Literary Competition
 - Write4fun Schools Writing Competition

- Cross Country
- Fitness and walking groups
- Golf
- Netball
- Soccer
- Swimming
- Touch Football
- Volleyball

How information and communication technologies are used to assist learning

The staff as a whole has embraced technology and have created an exciting technological learning environment, in turn improving student engagement. Teachers have undertaken whole school professional development as well as individual professional development in areas of interest/need. However the use of ICT to assist learning varies throughout:

- Outlook Calendar is actively used by staff and introduced to students to assist with improved organisational skills and reminders to meet assessment deadlines.
- IWB and One to One Student laptops - The school is fully fitted with interactive whiteboards which are used regularly by 100% of teachers. The IWB resource is used in conjunction with the student laptops, network drives and interactive resources such as clickers to promote teacher feedback and inform classroom delivery.
- ICT Pedagogy – Teachers embrace the coming together of technical skills, pedagogical practices and understanding of curriculum design to use digital pedagogies effectively which in turn supports, enhances and transforms teaching to provide a diverse and flexible learning.

- Lanschool Software – Staff actively use Lanschool to monitor students and their on task behaviours. The program allows staff to deliver spontaneous or planned in class testing via the student laptops to promote teacher feedback and inform classroom delivery. The software also allows instantaneous communication with students through digital messaging.
- Implementation of IPAD use as embedded programs in Special Education and the Arts Faculty
- Transition to digital drawing using Wacom Tablets across all Arts KLAs.
- Teachers integrate a range of electronic media to create dynamic, current, differentiated classroom instruction.

Staff actively uses technology for data collection to inform classroom delivery, individual student plans and differentiation strategies/planning. This software allows teachers to use interactive resources to accommodate and assist with varied level of learning.

Social climate

Overview

The school employs a range of strategies to support students:

- Principal/Deputy Principal/Student Support Leaders is in charge of each year level.
- Each year level is divided into a number of form classes, each with a form teacher who supports that particular group through successive year levels.
- The Year Co-ordinator is usually the first point of call for parents wishing to discuss issues that affect their child's education.
- Other support services in place include a guidance officer, school-based health nurse, youth worker, and a chaplain with a particular focus on students at risk of leaving school early.
- Each term the school holds parent/teacher interviews which are a good vehicle for discussing a child's academic and social progress through the school.

Parent and student surveys reveal that the students are happy at school and they regard it as a safe place.

Parent, student and staff satisfaction

Parent opinion survey

Percentage of parents/caregivers who agree [#] that:	2016	2017	2018

Parent and community engagement

Involvement of parents and members of our local community in school operations is critical to our school's continued success.

Tamborine Mountain State High School operates a Parents' and Citizens' Association. The main aim of this organisation is to encourage parent involvement in school operations and policies.

In addition to the Parents' and Citizens' Association, the support and involvement of parents and the wider community is sought through key activities:

- Participation on the Behaviour Management Committee;
- Involvement in internal school review and service delivery evaluation as part of the High Yield teams;
- Curriculum related workshops to maximise parent effectiveness/support for their child e.g. Year 12 Orientation, Understanding Senior Assessment, Stress Management;
- Frequent contact between teachers and parent through emails and texts;
- New newsletter format;
- Flying Start Transition;
- Year Co-ordinator updates to parents/caregivers.

Tamborine Mountain State High School hopes that through a variety of forums, parents/caregivers and the wider community are provided with valuable opportunities to be actively involved in the schooling of young people whilst developing effective partnerships with our school staff.

For any students who have been formally verified/ascertained with specific learning needs, parents/caregivers meet with Tamborine Mountain State High School HOSES and individual adjustments to the students timetable, assessment plan is discussed and formulated. All teachers are required to prepare a Differentiation Action Plan (DAP) for the student in their classes. In more significant individual circumstances, students have Individual Curriculum Plans (ICP) in consultation with parent/caregiver.

Respectful relationships education programs

- 'Putting Youth in the Picture' – Years 11 and 12 two day program
- Peer Mediation (trained students) to assist in student conflict issues
- School based psychologist (full time) working with identified students (violence – DV background)
- Student Support Leaders working with individual students

The school has developed and implemented a program/or programs that focus on appropriate, respectful, equitable and healthy relationships.

School disciplinary absences

Type of school disciplinary absence	2016	2017	2018
Short suspensions – 1 to 10 days	281	278	230
Long suspensions – 11 to 20 days	11	6	10
Exclusions	10	8	15
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Tamborine Mountain State High School hopes that through a variety of forums, parents/caregivers and the wider community are provided with valuable opportunities to be actively involved in the schooling of young people whilst developing effective partnerships with our school staff.

For any students who have been formally verified/ascertained with specific learning needs, parents/caregivers meet with Tamborine Mountain State High School HOSES and individual adjustments to the student's timetable, assessment plan is discussed and formulated.

All teachers are required to prepare a Differentiation Action Plan (DAP) for the student in their classes. In more significant individual circumstances, students have Individual Curriculum Plans (ICP) in consultation with parent/caregiver.

Utility category	2015–2016	2016–2017	2017–2018
Electricity (kWh)	279,251	303,840	327,567
Water (kL)	N/A	N/A	N/A

Note:

Consumption data is compiled from sources including ERM, Ergon reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Our staff profile

Workforce composition

Staff composition, including Indigenous staff

The staff figures below are based on Equal Employment Opportunity (EEO) 2015 census. In accordance with the EEO privacy provisions and to ensure confidentiality, the 'less than 5' rule has been applied in schools whose Indigenous staff numbers are less than five.

Description	Teaching staff*	Non-teaching staff	Indigenous** staff
Headcounts	81	38	<5
Full-time equivalents	69	30	<5

*Teaching staff includes School Leaders.

** *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Qualification of all teachers

Highest level of qualification	Number of qualifications
Doctorate	
Masters	9
Graduate Diploma etc.*	31
Bachelor degree	81
Diploma	18
Certificate	10

*Graduate Diploma etc. includes Graduate Diploma, Bachelor Honours Degree, and Graduate Certificate.

Professional development

Expenditure on and teacher participation in professional development

The total funds expended on teacher professional development in 2018 were \$52,863.25.

The major professional development initiatives are as follows:

- C2C Digital
- Literacy
- Numeracy
- QCAA – SATE Workshops

The proportion of the teaching staff involved in professional development activities during 2018 was 100%.

- QCAA Workshops – new syllabus releases and necessary re-write of work programs, panel workshops, assessment workshops.
- QCAA – assessment – senior teachers
- One School training – office staff
- Focus on writing genre.
- Specialist programs – Special Needs and Library staff
- Health and welfare training sessions
- Subject specific skills based workshops e.g. Art, Health and Physical Education and Home Economic staff.
- Faculty specific PD lead by Heads of Department – all faculties
- Beginning Teachers on-line modules
- Web based conferences

Staff attendance and retention

Staff attendance

Description	2016	2017	2018
Staff attendance for permanent and temporary staff and school leaders.	95%	95%	96%

Proportion of staff retained from the previous school year

From the end of the previous school year, 99% of staff were retained by the school for the entire 2018.

Performance of our students

Key student outcomes

Student attendance

The overall student attendance rate in 2018 for all Queensland state Secondary schools was 89%.

Tables 11–12 show attendance rates at this school as percentages.

Description	2016	2017	2018
Overall attendance rate* for students at this school	93%	93%	92%
Attendance rate for Indigenous** students at this school	91%	89%	91%

* Student attendance rate = the total of full-days and part-days that students attended divided by the total of all possible days for students to attend (expressed as a percentage).

** *Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Year level	2016	2017	2018
Year 7	94%	93%	93%
Year 8	90%	91%	91%
Year 9	93%	90%	90%
Year 10	92%	94%	91%
Year 11	95%	93%	95%
Year 12	94%	95%	94%

Notes:

- Attendance rates effectively count attendance for every student for every day of attendance in Semester 1.
- Student attendance rate = the total of full-days and part-days that students attended divided by the total of all possible days for students to attend (expressed as a percentage).
- DW = Data withheld to ensure confidentiality.

Student attendance distribution

Graph 1: Proportion of students by attendance rate

Description of how this school manages non-attendance

Queensland state schools manage non-attendance in line with the Queensland Department of Education procedures: [Managing Student Absences and Enforcing Enrolment and Attendance at State Schools](#); and [Roll Marking in State Schools](#), which outline processes for managing and recording student attendance and absenteeism.

Non-attendance is managed in state schools in line with the DoE policies, SMS-PR-029: Managing Student Absences and SMS-PR-036: Roll Marking in State Schools, which outline processes for managing and recording student attendance and absenteeism.

Tamborine Mountain State High School uses a computer software program (ID Attend) specifically designed for tracking and reporting student attendance at school. The program allows extensive import and export functions to One School to help keep track of student attendance and movement in and out of the school. For security and safety reasons, students must be signed in or out at the office if they arrive late to or leave early from school, or need to attend sick bay during the day.

The Education Act requires children between the ages of 5 and 15 to attend school each day unless there is a valid reason for absence. The school requires a notification from parents/caregivers when a student is absent from school. Routine telephone calls will be made to the homes of students who are absent for three days or more and from whom there has been no notification to the school.

Students enrolled at the school who are absent on the day assessment items are due, are required to produce a medical certificate for illness or a parent/caregiver may telephone the Administration Office to explain exceptional circumstances. Students in Years 11-12 will be assessed in accordance with the QCAA Late or Non-submission policy. (Please refer to the Senior Agreement document).

Parents/caregivers intending to take students for holidays during the school year are required to apply to the school in writing stating the dates the students will be absent from school and the reason why the absence is necessary. Students will have work organised prior to their absence to avoid them missing essential components of their course.

Key Strategies

- Student Support Leaders 'chase-up' - every single day absence i.e. phone call/emails/notes. If there is any notable reason investigate some and liaise with parent/caregiver in each individual case (supportive measures).

NAPLAN

Our reading, writing, spelling, grammar and punctuation, and numeracy results for the Years 3, 5, 7 and 9 NAPLAN tests are available via the [My School](#) website.

How to access our NAPLAN results

1. Click on the *My School* link <http://www.myschool.edu.au/>.
2. Enter the school name or suburb of the school you wish to search.

3. Click on 'View School Profile' of the appropriate school to access the school's profile.

4. Click on 'NAPLAN' to access the school NAPLAN information.

Notes:

1. If you are unable to access the internet, please contact the school for a hard copy of the school's NAPLAN results.
2. The National Assessment Program – Literacy and Numeracy ([NAPLAN](#)) is an annual assessment for students in Years 3, 5, 7 and 9.

Year 12 Outcomes

- a summary of Year 12 outcomes
- the number of Year 12 students in each OP band
- the number of Year 12 students awarded a VET qualification.

Details about the types of outcomes for students who finish Year 12 are available in the annual [Year 12 outcomes report](#).

Additional information about the AQF and the IBD program are available at www.aqf.edu.au and www.ibo.org.

Description	2016	2017	2018
Number of students who received a Senior Statement	102	140	125
Number of students awarded a QCIA	2	0	2

Description	2016	2017	2018
Number of students awarded a Queensland Certificate of Education (QCE) at the end of Year 12	100	140	123
Percentage of Indigenous students awarded a QCE at the end of Year 12	100%	100%	100%
Number of students who received an OP	53	52	57

16-20	2	2	0
21-25	0	0	0

Note:

The values in table 14:

- are as at 11 February 2019
- exclude VISA students (students who are not Australian citizens or permanent residents of Australia).

VET qualification	2016	2017	2018
Certificate I	10	8	0
Certificate II	30	24	29
Certificate III or above	76	104	96

Note:

The values in table 15:

- are as at 11 February 2019
- exclude VISA students (students who are not Australian citizens or permanent residents of Australia).

Tamborine Mountain State High School students completed the following VET Certificates – Business, Sport and Recreation.

Apparent retention rate – Year 10 to Year 12

Description	2016	2017	2018
Year 12 student enrolment as a percentage of the Year 10 student cohort	80%	88%	90%
Year 12 Indigenous student enrolment as a percentage of the Year 10 Indigenous student cohort	100%		200%

Notes:

- The apparent retention rate for Year 10 to Year 12 = the number of full time students in Year 12 expressed as the percentage of those students who were in Year 10 two years previously (this may be greater than 100%).
- Indigenous* refers to Aboriginal and Torres Strait Islander people of Australia.

Student destinations

The Queensland Department of Education conducts [annual surveys](#) that capture information about the journey of early school leavers and Year 12 leavers from school to further study and employment.

Early school leavers

The destinations of young people who left this school in Years 10, 11 or before completing Year 12 are described below.

___ students chose to leave school early in 2018, due to full-time work and TAFE.

Next Step – Post-school destinations

The results of the 2019 Next Step post-school destinations survey, *Next Step – Post-School Destinations* report (information about students who completed Year 12 in 2018), will be uploaded to this school's website in September 2019.

To maintain privacy and confidentiality of individuals, schools with fewer than five responses will not have a report available.

This school's report will be available at
