Insurance
I understand and acknowledge that insurance cover for students undertaking physical activities is as follows:

- Physical activity and physical education, particularly contact sports, carry inherent risks of injury.
- Parents are advised that the Department of Education and Training does not have Personal Accident Insurance cover for students.
- State Schools have public liability cover for all approved school activities and provide compensation for students injured at school only when the Department is negligent. If this is not the case, then all costs associated with the injury are the responsibility of the parent or caregiver.
- It is a personal decision for parents as to the type and level of private insurance they arrange to cover students for any accidental injury that may occur.

I acknowledge
- That I have read and understood the responsibilities of the student, parent/caregiver and the school staff outlined; and
- That information about the school’s current rules, programs and services as outlined above has been accessible via the school website and explained to me.

School policies are available on the school website www.tamborinemtnshs.eq.edu.au. Please contact the school if you wish to discuss these policies further.
