Welcome To
Tamborine Mountain State High School

To All Parents/Caregivers

I would like to extend to all parents/caregivers a warm welcome to our school. We have already established traditions of high standards in achievement, industry and responsible behaviour since our opening in 1999 and subsequent autonomy in 2001.

I encourage all parents/caregivers to be actively involved in their child’s progress. A supportive team of teachers, parents/caregivers and student is the best way to ensure successful outcomes in the high school years. In addition, a commitment by parents/caregivers to some aspect of school life (canteen, Parents & Citizens Association, volunteer etc.) promotes a sense of belonging for both the student and parent/caregiver - a key factor in student success.

Please contact the school if you would like to discuss your child’s progress or any aspect of school organisation. You are also welcome to join my email communication group tbros2@eq.edu.au.

I look forward to a productive partnership throughout 2019.

Yours sincerely

Tracey Brose
Principal

ABSENCE - STUDENTS

Students are to attend school on every official school day gazetted by the Department of Education State Schools, unless the student is ill or special family circumstances prevent the student from attending.

- QParent Absences – (Today and future absences)
  - Log on to QParents (https://qparents.qld.edu.au/#/login)
  - Click Attendance/View Attendance History
  - Click notify of an absence
  - Complete absence details
  - Click Submit

- Student absences if not using QParents require a note of explanation submitted to the Form Teacher on the day the student returns to school. Parents/caregivers can telephone the school on 5545 7260 and leave a message or email Absences@tamborinemtnshs.eq.edu.au. Student Services staff will record parent/caregiver contact.

- Students absent from school on a particular day are not permitted to attend school activities or school excursions scheduled after normal school hours.

- Parents/caregivers intending to take students out of school for holidays/personal reasons during the school year will need to apply in writing stating the dates the students will be absent from school and the reason for the absence.

- If a student is absent for more than 10 days at one time then an official exemption from the Department of Education State Schools is required. Documentation and written permission are necessary.

ABSENCE – TESTS / EXAMINATIONS

In the event of a student being absent on the day an examination is held or an assessment item is due, parents/caregivers are asked to make every effort to contact the school in advance or to notify the school on the day.

For students in Years 7, 8, 9 and 10 a note, explaining the absence and acknowledgment that parents/caregivers were aware of assessment, is to be given to the relevant teacher/Head of Department immediately on return to school. If the student does not take the appropriate action, the student will not be given any credit for the work.

For Years 11 and 12 students – a medical certificate explaining the absence is given to the relevant teacher/Head of Department immediately upon return to school. If the student does not submit a medical certificate, the student will be required to complete the assessment during the next available lesson or a draft will be assessed. For emergent situations (e.g. urgent family issues, bereavement) please contact the Principal or Deputy Principal.

ACCIDENTS / ILLNESS AT SCHOOL

Parents/Caregivers are requested not to send to school students who are unwell.

When a student is not feeling well at school, they obtain a permission slip from the class teacher and report to Student Services. If a student is not in class, they will report to the nearest teacher and then to Student Services.

The student may recuperate in the sick bay for ten minutes after which they are returned to class. Students will not be allowed to stay in the sick bay for an extended period of time.
The office staff will monitor this. If the situation warrants, parents/caregivers will be contacted. If the parent is unavailable, the emergency contact will be contacted. If the student requires urgent medical attention, an ambulance will be called. All students are covered by Queensland Ambulance when involved in school activities.

**AFTER-SCHOOL ROOM**

- The after-school room is opened at 3.15 pm and closes at 5.00 pm.
- Students who are undertaking the second after-school hour will be required to report to the Office at 5.00 pm for parent/caregiver to sign the student’s departure.

Provision is made at the school for the proper safe keeping of bicycles, which are to be left in the bicycle racks near the Administration block. It is essential that bicycles be chained to the racks.

Students are discouraged from bringing skateboards and scooters to school. If necessary, students will bring the skateboard or scooter to Student Services for storage.

Students who use skateboards inappropriately within the school grounds will have them confiscated.

**BULLYING**

Tamborine Mountain State High School is a safe environment. We have an Anti-Bullying Policy. This policy is also available on the school website.

**BUS INFORMATION**

Two bus companies service the school.

Our school has the services of a Guidance Officer, a School Based Youth Health Nurse, Clinical Social Worker, Mental Health Clinician and a Chaplain. Appointments are made through Student Services.

**HOMEWORK**

It is an expectation that assessment/assignment completion is undertaken weekly.

**Years 7, 8 and 9**

- Assessment/assignment preparation and drafting per week.
  - Year 7 – 30 minutes
  - Year 8 – 30 minutes
  - Year 9 – 45 minutes
- The assessment/assignment task is the homework.
- The assessment/assignment based homework will be given early in the week allowing one week for completion. (7 day cycle so week-end is included). This is the only homework and can not take more than the allocated time across the week.
- If during the school week a student completes the allocated time there is no need for additional time on weekends for study, homework or assessments/assignments.
- Each teacher will have clearly communicate with their class a procedure to follow if students can not complete the required assessment/assignment work and they are experiencing difficulty for example see the teacher before school the next day to notify the teacher of their difficulties.
- Reading and some assignment completion are the only homework components to be completed at home.

**Senior Phase**

In the Senior Phase, Years 10, 11 and 12, the amount of time devoted to homework and independent study will vary according to the student’s learning needs and individual program of learning, as determined through their Senior Education and Training (SET) Plan.
As a guide, Year 10 students may be given up to 7.5 hours of homework per week, Year 11 and Year 12 students may receive up to 10 hours per week. Students will be allowed one week for completion.

While teachers may provide students with additional work relevant to their learning which the student may undertake at home, young people during this phase should generally be independent learners exercising their own judgement as to the out-of-hours’ time they devote to their studies. Of course, care should be taken to ensure a balance is maintained between the various demands of study, sporting, cultural, recreational and part-time employment activities.

Parents/Caregivers Responsibilities

Parents and caregivers can assist by:

- reading with their child.
- helping students to complete tasks by discussing key questions or directing them to resources.
- encouraging students to organise their time and take responsibility for their own learning.
- encouraging students to read and to take an interest in and discuss current local, national and international events.
- helping students to balance the amount of time spent completing homework, watching television, playing computer games, playing sport and music and engaging in other recreational activities.
- discussing any concerns about the nature of homework and their children’s approach to the homework with the relevant teacher.

Suggestions for Parents/Caregivers

- Monitor the length of time your child is undertaking homework/assignment completion. If after the allocated homework/assignment time for that subject e.g. Year 7 (30 minutes); Year 8 (30 minutes); Year 9 (45 minutes) per week per subject. The homework/assignment is not completed; sign to verify time has lapsed.
A copy of our Homework Policy is available from the Office and from the website.

**INSTRUMENTAL MUSIC**

Please contact the instrumental music teacher for any enquiries regarding enrolment in the Instrumental Music Program Joanne Amott (jearn9@eq.edu.au).

The teacher will devise a rotating roster for students to ensure that they do not miss the same subjects when they have their weekly lesson.

All instrumental music rehearsals are conducted before school from 8.00 am onwards in the Performing Arts Centre.

- Wind Symphony (Monday) – 8:00 am
- Stage Band (Tuesday) – 8:00 am
- Concert Band (Wednesday) – 8:00 am
- String Orchestra (Thursday) – 8:00 am
- Vocal Ensemble (Friday) – 8:15 am

**LATENESS TO SCHOOL**

If a student is late to school he/she will report to Student Services to be recorded in the late register and then will collect a late note which is taken immediately to class. If this procedure is not followed, a student will be marked absent for that day. Students without a late note are referred to Student Services before being admitted to class.

**LEAVING SCHOOL EARLY**

If a student is to leave school during the day, a note needs to be submitted to Student Services before 8:30 am.

Students will be issued a slip which they present to Student Services when they leave.

**LIBRARY RESOURCES - REPLACEMENT**

At times library resources are lost or damaged. In order to replace these items costs are prorated depending on the age of the item.

- 0-1 Year – Full replacement
- 1-2 Year – Pro-rata 20% of replacement cost
- 2-3 Year – Pro-rata 40% of replacement cost
- 3-4 Year – Pro-rata 60% of replacement cost
- 4-5 Year – Pro-rata 80% of replacement cost
- 5+ Years – Written off

**LOST PROPERTY**

All personal property is to be clearly marked with the owner’s name. Students are held responsible for their own personal possessions. Lost property will be held at Student Services and then passed to the School Facilities Officer for storage. After 12 months lost property will be disposed.
**MEDICATION**

If it is essential for a student to take medication, the instructions are to be set out clearly by the pharmacist and the medication kept securely at the Office. An Administration of Medication at School Record Sheet (Routine/Short-Term Medication) is required for any student on medication. This is available from the Administration Office upon request. This form must be signed by parent/caregiver and is kept at the Office. The student will then come to the Office at the appropriate time to receive the dosage. At no time is any student to have medication in their possession.

An Administration of Medication at School Record Sheet (Emergency Medication) is required for any student with an Emergency Health Plan for Asthma, Anaphylaxis and Glucagon Injection. This record sheet must be signed by parent/caregiver and is kept at the Office.

Anaphylaxis students require an Anaphylaxis Individual Health Plan signed by a health practitioner. This plan is to be renewed annually.

Diabetic students require a Diabetic Individual Health Plan signed by a health practitioner. This plan is to be renewed annually.

If student requires glucagon injection to be stored at the Office an Emergency Health Plan – Hypoglycaemia is required. This plan is developed by a Health Practitioner and is to be renewed annually. If glucagon is kept at school first aide staff require specialised training.

Students with self-administered medication such as asthma medication may have their inhaler with them and use it as needed. An email or note from Parent/Caregiver stating that their child self-administers is required.

It is against regulations for the school to issue to students medication of any kind that has not been issued by a pharmacist/doctor. Pain relief medication is not able to be distributed by the school.

**MOBILE PHONES/SMART WATCHES/I PODS/DIGITAL DEVICES**

It is usually unnecessary for students to have mobile phones/smart watches/iPods or other electronic devices at school. It is most disruptive to the teaching and learning process for students to have these devices in the classroom.

Students who, for some reason, have a mobile phone/smart watches/iPod/electronic device with them at school are required to leave it at Student Services immediately upon arrival at school.

- If necessary, students may access their mobile phone during recesses under the supervision of Student Services staff.
- Important messages will be communicated to students wherever possible.

Appropriate disciplinary action will be taken against any student who:

a) photographs or films other individuals without school permission.
b) sends harassing or threatening messages.
c) sends inappropriate/offensive photos/images.
d) Takes images of students in uniform and/or uploading of photographs of students in school uniform to social media site or on to laptops.

e) uses a mobile phone, smart watches or electronic device to cheat in exams or assessments.

This policy also applies to students during school excursions, camps and extra-curricular activities. If for security reasons a mobile phone is permitted, then parents/caregivers will be notified.

A full copy of our personal technology policy is available from the school office and is also located on the school website.

No liability will be accepted by the School in the event of the loss, theft or damage to any device.

**PARENTS AND CITIZENS ASSOCIATION**

The Parents and Citizens Association will meet on the third week on Tuesday in February, March, May, July, September and November throughout 2019. Meetings begin at 6.30 pm in the Central Park Common Room. All parents/caregivers are encouraged to attend.

**REFUND POLICY**

- This refund will also be conditional upon return of all school resources in good condition. The school's laptop and ID card must be returned.
- All other refunds will be credited to the student’s account and applied against future excursions or activities that require payment.
- Refunds for excursions may only be available in part due to agreed payments to establishments (entrance fees), buses etc.
