

Greetings and a warm welcome to the year 2024!

As you begin this new academic year, we're excited to introduce the Support Hub at Tamborine Mountain State High School. Our team is here to ensure a smooth transition for your child into high school.

The Behaviour and Well-being Team includes four Student Support Leaders (SSLs): Mr. Wayne Anderson, Mrs. Emma Henderson, Mr. Cameron Orth (Acting Head of Department), and Mrs. Kelli Thomson, along with two diligent Support Officers, Mrs. Melinda Fiore and Ms. Danielle Moore. Additionally, we have three experienced counsellors: Mrs. Lynne Buttler (Senior Clinical Social Worker), Ms. Scarlett Buttler (Community Liaison Officer), and Mr. Alpesh Pema (Community Liaison Officer), as well as two Guidance Officers, Mrs. Helen Fawcitt and Mr. Hugh Wackwitz. Our team also includes an Educational Support Officer, Ms. Yoli Richards.

We understand that transitioning to high school can be a challenging period for your child. Our team is here to provide the support, guidance, and encouragement they need to thrive in their academic journey. We aim to create a safe and nurturing environment where your child can flourish.

In times of uncertainty or when your child faces challenges, our Support Hub is here to provide assistance, ensuring your child feels safe, valued, and supported throughout their high school experience. We are committed to fostering their emotional well-being and personal growth, and we look forward to partnering with you on this journey.

If you have any concerns or questions, please don't hesitate to reach out. Here's to a successful and fulfilling year ahead, and to nurturing your child's educational and personal development.

Warm regards

The Support Hub
